HR MANUAL 2026-2027

Our Inspiration

ST. KURIAKOSE ELIAS CHAVARA 1805-1871

An educationalist and a social reformer of nineteenth century. St. Chavara founded the Carmelites of Mary Immaculate (CMI) congregation in 1831 to serve the marginalised and underprivileged.

The CMI congregation, inspired by the vision of St Chavara, renders its service in educational, social, health care and other sectors aiming at the integral development of society.

He was canonised on 23 November 2014 in Rome by Pope Francis

TEACHINGS OF ST. KURIAKOSE ELIAS CHAVARA

"Children, you are God's investment in the hands of your parents. Trust your mother, God will hear your mother's request like the baby's.. Laziness fosters evil habits. Good friends will make you good. Regular reading of good books and meditating on them will illumine the mind. Your attire and sanctity ought to be according to your age. Your profession must be according to your knowledge and age. Do not be the cause for your parents to shed tears on account of you, The humble man is the greatest among men. You belong to God and you should be given back to God. Pursue the path of truth and justice."

CHRIST College of Engineering (CCE) was born out of the educational vision of St Kuriakose Elias Chavara and managed by CMI fathers...

"I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life."

John 8:12

HR POLICIES

The contents of the Human Resource (HR) Manual of Christ College of Engineering (Autonomous), Irinjalakuda, Thrissur, are parts of the regulations of the institution and hence shall be applicable and binding on all members of teaching, non-teaching, technical and administrative staff of the institution in the manner stated therein.

Any later edition of this HR Manual (2026-27) has to be made on the original kept in the College office and signed by the Executive Director. This HR Manual will be amended from time to time by the management. Any further edition to this should have the year in which the changes are made in the HR Manual. This HR Manual is the property of Christ College of Engineering (Autonomous).

LETTER OF PROMULGATION

Christ College of Engineering (Autonomous) is committed to its Vision “To be a premier technical institution that nurtures professionally competent and socially responsible engineers through quality education, training and research”.

The institution’s success depends to a great extent on the faculty/staff members who have contributed to creating a work culture founded on the values of integrity and commitment.

To set the institution to continue on the growth path, in line with the framed objectives, the institution is following a set of rules and regulations to govern the selection and service conditions of the Faculty/Staff from the college’s inception. The Faculty / Staff service rules and HR Manual was last updated in 2022.

We are glad to promulgate the HR Manual 2026-27, which we hope will serve as a collection of information and guidance and will be a helpful manual for our faculty and staff in discharging their duties.

Fr. John Paliakara
Executive Director

Innovation and Professionalism

MOTTO

**FREEDOM WITH
RESPONSIBILITY**

IN LINE WITH THE VISION & MISSION

We focus on engendering a high level of social, professional and humanitarian commitment in our students and towards building up a society of ethical work and enterprise. Our thrust is to mould the minds of our students to respond imaginatively and ingeniously to the challenges posed by globalisation, evolving technology, and changing economic trends; and in time to influence the intellectual, social and spiritual spheres of the 21st century.

We seek to create an academic community united in its spirit of inquiry, love of knowledge, passion for truth, confidence in reason, and social responsibility. We also strive to promote our students' ethical, civic and humanistic dimensions, thereby inspiring them to use their competence in an individual discipline within the framework of a coherent world vision. Our endeavour is thus to challenge our students to continue the search for truth and meaning throughout their lives, to develop a religious, moral and spiritual sense, to deepen a way of life that is authentic, and to realise the responsibility of their professional life.

1 INTRODUCTION

The Management

The Carmelites of Mary Immaculate (CMI), the first indigenous religious congregation for men in India, was canonically established in 1855. Drawing inspiration from the founder, St. Kuriakose Elias Chavara, a great visionary, reformer and religious leader of the 19th century, the CMIs played a significant role in the education sphere in Kerala in the late 19th century. The educational journey, which thus started in the 19th century, gradually grew and now the congregation has a vast network of 448 institutions - including over 200 schools, 14 university affiliated colleges, 4 engineering colleges, 12 technical institutes, 2 universities, 1 medical college, 3 B.Ed. colleges, 5 special schools, 18 non-formal educational institutions and 17 cultural centres spread all over India and beyond.

The Institution

Christ College of Engineering (Autonomous) (CCE) is a service-oriented educational organisation and a knowledge hub of higher education in Irinjalakuda. The organisation is operated and managed by CMI Congregation of Devamatha Province, Thrissur, aiming to develop the state's higher educational and socio-economic sectors. The institution was registered under Christ Educational and Charitable Trust, Irinjalakuda, in 2015. The organisation's goal is the holistic growth and development of a higher education platform and making it available to all social groups by incorporating resources and empowerment. From its inception, the organisation has endeavoured to accomplish its goal through collective efforts, proper infrastructure and skill development. CCE functions per the State and Central Government Educational Policies and abides by the laws of the nation in force. The institution co-operates with government, public and private organisations and projects that share its objectives and practices. The organisation works with a democratic structure and is committed to maintaining transparency and accountability in the execution of its objectives and plans.

Christ College of Engineering (Autonomous), Irinjalakuda, is committed to reforming the higher education domain to global standards through good administration and quality technical education policies. AICTE approves this college, vide Order No. South-West/2015/1-2478389201 dated 30.04.2015 and affiliated to APJ Abdul Kalam Technological University vide Order No. KTU/A/602/2015 dated 15.05.2015.

At Inception, CCE offered five undergraduate programmes with an intake of 60 seats in each branch:

- Civil Engineering (CE)
- Computer Science & Engineering (CSE)
- Electronics & Communication Engineering (ECE)
- Electrical & Electronics Engineering (EEE)
- Mechanical Engineering (ME)

All five programmes - CE, CSE, ECE, EEE, and ME - are accredited by the National Board of Accreditation (NBA) for the period 2023-2024 to 2025-2026 i.e. up to 30-06-2026.

Christ College of Engineering has been conferred Autonomous status by UGC for a period of 5 years from the academic year 2025-2026 to 2029-2030, as per Clause 7.4 of the UGC (Conferment of Autonomous Status Upon Colleges and Measures for Maintenance of Standards in Autonomous Colleges) Regulations, 2023.

2 CODE OF PROFESSIONAL ETHICS

FACULTY AND THEIR RESPONSIBILITIES

Whoever adopts teaching as a profession assumes the obligation to conduct himself in accordance with the ideals of the profession. A teacher is constantly under the scrutiny of his/her students and the society at large. Therefore, every teacher should see that there is no incompatibility between their precepts and practice. The national ideas of education which have already been set forth and which they should seek to inculcate among students must be their ideals. The profession further requires that teachers be calm, patient and communicative by temperament and amiable in disposition.

Faculty should:

- Adhere to a responsible pattern of conduct and demeanour expected of them by the community.
- Follow the Outcome Based Education (OBE) method of teaching and learning process.
- Follow the IEEE code of Ethics.
- Seek to make professional growth continuous through study and research.
- Perform their duties in teaching, tutorials, practicals, seminar and project work consistently and with dedication.
- Complete all documentation required for AICTE/UGC/KTU/NBA/NAAC and all auditing agencies on daily basis.
- Cooperate and assist in carrying out functions relating to the educational responsibilities of the college and university, such as assisting in appraising applications for admission, advising and counselling students, as well as assisting in the conduct of university and internal examinations, including supervision, invigilation and evaluation.
- Discharge their professional responsibilities according to the existing rules and adhere to procedures and methods consistent with their profession in initiating steps through their institutional bodies and (or) professional organisations to change any such rule detrimental to the professional interest.
- Participate in the extension, co-curricular and extra-curricular

activities, including community service.

- Express sincere opinion while participating in gathering such as professional meetings, seminars and conferences towards contributing knowledge.
- Maintain active membership in professional organisations and strive to improve education and profession through them.
- Treat other professional members in the same manner as they wish to be treated.
- Speak respectfully of other teachers and render assistance for professional betterment.
- Refrain from allowing considerations of caste, creed, religion, race or sex in their professional endeavour.
- Refrain from undertaking any other employment and commitment, including private tuition and coaching classes, which will likely interfere with their professional responsibilities.
- Cooperate in formulating the institution's policies by accepting various offices and discharging responsibilities which such offices will demand.
- Cooperate with the authorities for the betterment of the institutions keeping in view the interest and in conformity with the dignity of the profession.
- Should adhere to the conditions of the appointment.
- Refrain from availing themselves of leave except on unavoidable grounds and as far as possible with prior intimation after making alternate arrangements, considering their responsibility for completing the academic schedule.
- Recognise that education is a public service and strive to keep the public informed of the educational programs being provided.
- Work to improve education in the community and strengthen the community's moral and intellectual life.
- Be aware of social problems and participate in such activities as would be conducive to the progress of society and the country.
- Perform the duties of citizenship. Participate in community activities and shoulder responsibilities of public offices.
- Refrain from participating in, subscribing to, or assisting in any activities that tend to promote hatred or enmity among different communities, religions or linguistic groups but actively work for National Integration.
- Manage their private affairs in a manner consistent with the dignity of the profession.
- Refrain from lodging unsubstantiated allegations against colleagues to higher authorities.

Faculty members of Higher Educational Institutions have to perform a variety of tasks pertaining to diverse roles. In addition to instructions, faculty members need to innovate and conduct research for their self-renewal, keep abreast of changes in technology, and develop expertise for effective implementation of curriculum. They are also expected to provide services to the industry and community for understanding and then to contribute to the solution of real-life problems. Another role relates to the shouldering of administrative responsibilities and co-operation with other faculty, Heads-of-Departments and the Head of the Institute. An effective performance appraisal system for faculty is vital for optimizing the contribution of individual faculty to institutional performance. Our institution recognizes the efforts and contributions of faculty members in academic and administrative responsibilities entrusted with them in the annual appraisal process.

Therefore, our institution has a well-defined Faculty Performance Appraisal and Development System for faculty. The institution has adopted an appraisal system, Annual Performance Index (API) to evaluate the performance and accomplishments of faculty members. The performance is evaluated as excellent, very good, good, average or poor based on the points earned in API by the faculty.

MANPOWER PLANNING AND RECRUITMENT PROCEDURE

Manpower planning has to be carried out every year in the month of April. This has to be done by considering the faculty workload prepared by HoD in each department.

WORKLOAD

As per AICTE norms, the faculty's workload is 40 hours per week.

Hrs/Wk (Min)	Professor	Associate Professor	Assistant Professor
Teaching	14	14	16
Preparation for teaching	10	10	10
Research	8	6	6
Evaluation	2	2	2
Administrative work	4	4	2
Co/Extra Curricular Activities	1	2	2
Extension activities	1	2	2
TOTAL	40	40	40

- A relaxation of two hours in the workload may be given to HoDs/ Faculty who are actively involved in administration.
- The norms of workload stipulated in the revised AICTE/UGC scheme will be strictly enforced to all the faculty members in Christ College of Engineering (Autonomous)
- The minimum teaching hours for different cadre shall be as follows:
 - Principal : 6 hrs/week
 - Professor : 14 hrs/week
 - Associate Professor : 14 hrs/week
 - Assistant Professor : 16 hrs/week
- All faculty members should guide the student's projects. All must find time to guide, listen to the presentations and evaluate their

student projects. This will not be considered as additional workload.

- The total working hours of 40 hours/ week includes teaching, research, laboratory work, drawing and practical classes, assignment valuation, preparation for class work, library reading, examination invigilation, paper valuation, accompanying students for study tour, advisor duties, students counselling, meeting parents, guidance of extra-curricular activities of students, helping administration, placement related activities, remedial classes, GATE coaching, duties as committee conveners/members and other similar activities in the campus.
- The work plan of teachers shall ensure, in the most productive manner, the utilisation of stipulated 40 working hours per week, with regard to the roles, jobs and targets assigned to them by the department/ Institution.
- Teachers should be present in the institution during the regular working hours unless engaged in official work outside.
- All Faculty members should submit the syllabus coverage report to the HoD on the last working day of every month.
- All committee coordinators shall ensure that committee meetings shall be convened as per requirements of AICTE/UGC/KTU. Committee files should be updated with Minutes of meetings and other required documents.

FACULTY REQUIREMENT

The HoDs shall prepare the department faculty workload as per the above guidelines for the academic year (both odd and even semesters) at least one month in advance. Relevant details of the department faculty workload shall be presented and it will be scrutinised by the Principal and after necessary modifications, get it approved by the Executive Director, who initiates the recruitment process. Services from senior Faculty from Industry/Academia can be availed as per the requirement of the department.

- As per AICTE norms, faculty – student ratio is 1:20 for undergraduate programmes. The faculty-student ratio is computed at the institutional level. The ratio is calculated based on the total number of faculty members and students in an academic year by the committee constituted by the Executive Director. The faculty members on maternity leave and those deputed for PhD course-work are to be considered while calculating faculty-student ratio.
- For Laboratory classes and Tutorials, the batch strength shall be 30 and two faculty members are to be allotted for each class.
- No substitute appointment will be made to fill a vacancy caused by a faculty member proceeding on maternity leave. However, if two or more faculty members in a department are proceeding on maternity leave, medical leave, long leave with loss of pay, etc. around the same time, adhoc faculty shall be appointed for that period based on need.
- Additional workload caused by a vacancy which is likely to exist only for a few months, must be shared among faculty members of the concerned departments.

RECRUITMENT PROCEDURE NOTIFICATION, SELECTION & RECRUITMENT

- The faculty vacancy positions will be notified in the leading newspapers as the management decides. The advertisement shall specify the minimum qualifications and other requirements for the post(s) as per the norms prescribed by AICTE or other competent authorities. Apart from this, notification will be given on the

institution web site inviting applications in the prescribed format.

- Faculty members already serving Christ College of Engineering (Autonomous) and meeting the notified requirements can apply for the direct recruitment to higher posts only if specifically called for in the advertisement.
- The last date for submission of applications against advertisements will be as decided by the management.
- The screening and short listing of candidates for interview shall be done by the HR. A written test, subject interview and HR interview will be conducted for selection process.
- As M.Tech is the basic qualification for teaching as per AICTE norms, any teaching /industry/research experience prior to obtaining M.Tech will not be considered as relevant experience for teaching post of Assistant Professor in case of external candidates for direct recruitment. However, such teaching experience in Christ would be considered for internal candidates during direct recruitment.
- Teaching experience - Faculty member who teaches full time in AICTE/UGC recognised institution in one full academic year would be considered as having one year of teaching experience.
- Industry experience – Candidates with relevant experience in their area of specialisation from reputed firm's equivalent to Asst. Prof. Cadre and not below 2 years of experience will also be considered.
- Research experience – The period of work of full-time doctoral work will be counted for increment purpose at the level of an Asst. Professor at the time of direct recruitment, whereas it will not be considered as experience in the case of Associate Professor/ Professor at the time of direct recruitment.
- Study leave – The period of study leave of a faculty who has gone on FIP/QIP or on loss of pay will not be considered for salary increment and service benefits.
- Interview shall be conducted as and when required.
- The Interview Board shall consist of the Executive Director, Joint Directors, Principal, HoD/one senior Professor/Associate professor with PhD of the concerned discipline (subject expert) and one

external subject expert from reputed academic institutions.

- Selection of candidates shall be based on merit and suitability as decided by Faculty/Staff selection board and a rank list of suitable candidates shall be prepared based on merit and forwarded to Executive Director for background verification.
- The rank list of selected candidates shall usually be maintained for six months or more, depending on the need. If the number of candidates on the rank list exceeds the number of vacancies, the remaining candidates on the rank list shall be maintained for future consideration until the following advertisement for the same position.
- All direct appointments and faculty who are promoted will be on probation for a period of two years.
- On completing two years, based on AICTE norms and as per API obtained, their probation will be declared and will be considered as regular faculty.
- Offer letters shall be dispatched by HR to the selected candidates by e-mail.
- If the candidate accepts the offer, the appointment letter signed by the Executive Director shall be issued.
- If any meritorious candidate applies for any post, even without a notification by the college, the management will be free to consider his/her candidature for suitable post.
- The rank list recommended and approved by the Executive Director, will be presented for ratification by the BoG members in the next BoG meeting.
